Rule change proposed by Wes Young. 50' pitching distance Vote 17-0 Approved

Rule change proposed by Rick Deramus and seconded by Wes Sadler.

Changing batting order:

A coach has the option to bat all players on the official roster that are present. If a team begins the game batting all players, they must complete the game batting all players. If the extra batter(s) have been injured, then the subject team can bat the remaining batter(s) without penalty of taking an out for the extra batter position(s) unless their team is under nine players then the team must take an out.

The opposing coach has the option to bat the standard nine or ten batters. It is not mandatory that both teams bat the same number of players.

All pitching rules and defensive substitution rules stay in effect.

Example:

If team "A" has 12 players and team "B" has 11 players...

Team "A" coach can bat all 12 players while

Team "B" coach may only decide to bat 9 players

Change and Add Rule:

This rule would expand rule 19 under Section I under Pony League Rules and would add a new rule for the Midget League Rules.

Mark Burgess asked that Prep and Babe Ruth be added to this rule change. This was seconded by Robert Gene
Vote 24-2 passed as amended.

NEW BUSINESS

A motion was made by Brent Lewis and seconded by Gene Nelson. VOTE 28-0 passed

A Cricket phone was asked for to be used by the Umpire Director at a charge of \$38 per month. The Executive Committee will take this up at the next meeting.
