

INSTILLING IN OUR COMMUNITY YOUTH THE IDEA OF CHRISTIAN CHARACTER

October 2009 Commissioner's Meeting

A Commissioner's meeting of the Fort Smith Church Baseball League was held on Monday, October 12, 2009 at Christ the King Church. An attendee roster is attached)

Meeting was called to order at 5:35 PM by Don Eveld. Brent Lewis led opening prayer.

March meeting minutes were approved by unanimous vote.

Treasurer's Report

Pat Mickle presented the finance report. This reports showed a operating loss for the 2009 season. This was mainly attributed to lower concession sales due to cool weather, the pre-season being cancelled, and several days early in the season being rained out and made up on one Saturday.

Presidents' Report

Don Eveld asked if anyone knows the location of the large Hank Feldman trophy. Someone is interested in having it restored and updated. If anyone knows where this is please let FSCL know. Kyle Peters won this award in 2009.

Old Business

New Business

A new bulletin board will be placed near the Ballman concession

Team declaration Night will be March 8, 2010

Coaches meetings will be March 11, 15, and 16th 2010.

Eddie Norman asked about college and high school teams using the lower batting cages. Some concerns were raised about players that age using those cages, especially those teams with access to other facilities. Decision was made to develop a "RULES of USE" sign and policy.

Wes Young talked about the Hum Baby tournament for 2010. He said discussions are underway to determine what the high school teams (Northside and Southside) are responsible for, and what the revenue split will be. Some concerns were raised about concession operations at last year's tournament. Eddie Norman proposed a revenue split of around 1/3 for each group (NHS, SHS, and FSCL) after expenses. The Hum Baby was given approval subject to working out the money split and other responsibilities. This tournament would be help over Memorial Day weekend.

New Officers were nominated:

President - Don Eveld
1st VP – Eddie Norman
2nd VP – Donald Schwartz
Treasurer – Pat Mickle
Secretary – Brent Lewis

These were the only nominations made.

The Pony fields will have work done on them, by Bransen Harris, once Fall Ball is through at the end of October.

OFFICIAL ROSTERS AND WAIVERS WILL FACE TOUGH VERIFICATION in the 2010 season. Much discussion was made about the past “rubber stamping” of rosters and waivers. Several rule changes were offered concerning this (please see all the proposed rule changes for these).

Proposed rule changes to be voted on at the Nov 9th, 2009 meeting:

Donald Schwartz proposed the following:

Article X

G. PEE-WEE & JR. PEE-WEE LEAGUE (TBALL)

Existing Rule:

20. Either wood or aluminum bats may be used. Maximum length 32” and maximum barrel diameter of 2-1/4”.

Proposed new rule:

20. Either wood or aluminum bats may be used. Maximum length 32” and maximum barrel diameter of 2-1/4”.

A batter shall be called out for using or stepping into the batters box with an illegal bat.

Notes: This is simply to put in the rules the penalty we have been enforcing for using an illegal bat. We seem to have this issue come up 2 or 3 times each year.

Existing Rule:

21. No more than two coaches are allowed on the field while their defense is in the field, and they must be within five (5) yards of the dugout. While on offense, two coaches are allowed on the field, one coaching first base and one coaching third base. Coaches are not allowed to position any player’s in the batters box. The umpire will assist the player if necessary.

Proposed new rule:

21. No more than two coaches are allowed on the field while their defense is in the field, and they must be within **arms length five (5) yards** of the dugout. While on offense, two coaches are allowed on the field, one coaching first base and one coaching third base. Coaches are not allowed to position any player’s in the batters box. The umpire will assist the player if necessary.

Notes: This is a new addition to the rule that hopefully will control the number of coaches on the field and how far from the dugout they are allowed to be. 5 yards is too much space when you consider the size of the TBall and pitching machine fields. I think arms length will be easy to enforce and make it clear to everyone to stay away from the foul lines and the coaches box when they are on defense.

Existing Rule:

23. The official ball will be the 8½" "RIF5" (Reduced Injury Factor) baseball.

Proposed new rule:

23. ~~The official ball will be the 8½" "RIF5" (Reduced Injury Factor) baseball.~~

Notes: This is simply to remove the rule stating that we will use RIF5 baseballs. We haven't used them in years and don't plan to next year either.

Existing Rule:

26. No defensive player except the pitcher and catcher shall be closer than 45 feet to home plate, until the ball is put

Proposed new rule:

26. No defensive player except the pitcher and catcher shall be closer than ~~50~~ **45** feet to home plate, until the ball is put

Notes: Robert Burriss changed this rule last year to 50 feet and we enforced it that way all year. It was much better than the 45 feet and this proposal simply changes the existing rules to match what the TBall league president enforced in 2009.

H. SUPER PEE WEE & BAMBINO LEAGUE RULES

Existing Rule:

20. Coaches are restricted to a distance of arms length from their dugout while their team is on the field. When their team is at bat there may be three (3) coaches on the field (one at first base, one at third base, and one at the pitching machine)

Proposed new rule:

20. Coaches are restricted to a distance of ~~arms length five (5) yards from~~ **from** their dugout while their team is on the field. When their team is at bat there may be three (3) coaches on the field (one at first base, one at third base, and one at the pitching machine)

Existing Rule:

22. Either wood or aluminum bats may be used. Maximum length 32" and maximum barrel diameter of 2-¼".

Proposed new rule:

22. Either wood or aluminum bats may be used. Maximum length 32" and maximum barrel diameter of 2-¼".
A batter shall be called out for using or stepping into the batters box with an illegal bat.

I. PONY LEAGUE RULES

Existing Rule:

14. Coaches are restricted to a distance of five (5) yards from their dugout while their team is in the field. When their team is at bat there may be two (2) coaches on the field (one at first base and one at third base).

Existing Rule:

Doug Farries proposed the following:

Article X, Sec k.6 (prep) and Article X, Sec L.2

FROM: “A one hour and fifty minute (1:50) time limit will apply. In the event of a tie game, Babe Ruth international rules shall apply “.

TO: “A one hour and fifty minute (1:50) time limit will apply. If at the end of the last inning played the score is tied and the time limit has run out, the game shall be recorded as a tie. If at the end of seven innings, the score is tied and the time limit has not been reached, the game will continue under international tie-breaking rules until one team is ahead at the end of the inning or the time limit is reached. The international tie-breaking procedure places the last batter to complete his at-bat from the previous inning at 2nd base to start each half-inning. The game proceeds normally in all other aspects. The standard 1:50 game time still applies, no additional game time is added for breaking tie games.

Tie games will be recorded as one-half a win and one-half a loss in the standings. Tie games will be considered as final and WILL NOT BE REPLAYED even if determining a single winner could influence the final standings “.

2nd Doug Schwartz

Commissioners, please notify your coaches about the proposed rule changes. These WILL BE voted on at the November meeting to be held at 5:30pm Monday Nov 9th at Christ the King.

It was also discussed that now is the time to be lining up coaches for next season, and educating them on the rules, roster procedures, etc. This is especially important if they have not coached in FSCL before.

The meeting was adjourned at 7:35 PM.
