Treasurers Report-- We are currently doing well on funds and we have several projects in the works.

Don said per Doug we need to purchase some new tires for the four-wheelers and sand-pro. We also need to purchase a new backpack leaf blower. FSCL historically has used Bercher Tire and always received a good deal. With Bercher Tire now being out of business, FSCL needs a new tire provider for our four wheelers, sand pro, etc. If anyone has any connections to get good deals with a tire service provider, please contact Doug Schwartz or another member of FSCL board.

Old Business

Rule by Ryan Goodwin

To change the CP league back exactly the way it was in 2015 except only allowing 2 – 8 year olds instead of 4.

And to change T-ball back exactly to the 2015 rules.

INSTILLING IN OUR COMMUNITY YOUTH THE IDEA OF CHRISTIAN CHARACTER

Rule by Alan Schwartz

Proposing a player verification form for each parent to sign when they sign up their kid at a church. This is to hope the parents won't lie if they have to sign a form stating that is their church. See form below.

Seconded by Chris Bercher

Alan withdraws his proposal. This is an effort to support an alternate proposal by Eddie Norman. See Below.

Rule by Darren McKinney

A child is eligible to play for a church where they attend school.

Seconded by Alan Schwartz & Chris Bercher

Approved 10-3 - Don is asking Darren to provide a list of "schools" that will be recognized.

New Business -

Eddie presented a new roster form to have the parents sign. See attachment

Seconded by Alan Schwartz

Eddie- Mentioned the age requirements and specifically the August to August in Starter and now JPW (since we have separated the leagues back out) but peewee is August to May. A long discussion took place about if we should be more consistent and do a different month combination.

Eddie Norman mentioned that work continues to plan and install bleachers and sidewalk on Kelly Field. Bleacher cost is around \$6,000 and concrete pad and sidewalk will be around \$10,000.

Discussing changes to rules for all leagues to August 1st.

Proposed a season calendar. See attachment

Robert – proposed doing individual trophies instead of team trophies.

Seconded by Kevin Allen

Don-

We need Darren McKinney to list schools that the play rule above applies too.

Waivers and how to reduce/eliminate them was discussed. One idea thrown around was a player must remain with the church he/she first signs up with unless extenuating circumstances arise. Even if church membership changes, they remain with original team/church. It was discussed that any organization has rules that should be followed and no rule will satisfy everyone or every situation and that waivers should be rare and for very extenuating circumstances. Players with no member church affiliation were also discussed. The fact that they are not allowed to change teams until they move to another league was discussed. Seems to be interest in "recruiting" Van Buren and Cedarville kids.

Motion to adjourn 6:48.
