Treasurers Report-- We have 3 banking accounts. One for tournaments, scholarships, and general. Total income for the year was just under \$300,000. That was not profit but income. Net income \$63,350.00.

Trey discussed having a cooler fee at tournaments. Others charge anywhere from \$5 to \$20. Limit the size of the cooler.

Concession income seemed to improve from last year.

Eddie – Playing more games helped. Eddie discussed having a tournament with league teams in Alma, VB, Greenwood, and Fort Smith.

Eddie talked about the lighting contract we entered into with Musco lighting. The fixtures were worked on and fixed up. All the bulbs were replaced. Gator issues. Wrecked for a second time by the old grounds crew. We might buy a new one if we can. Sidewalks. New ones from Kelly to Reynolds concession and one from Ballman to Hernreich. Question about adding bleachers on Kelly. Also a question from Kevin on the usefulness of a new sidewalk up the Hernreich from Ballman. Will it be used enough to warrant the cost?

INSTILLING IN OUR COMMUNITY YOUTH THE IDEA OF CHRISTIAN CHARACTER

Alan – Portable concession sales. It was done before and was not considered successful.

Old Business -- No old business.

New Business – Insurance provided by the league? Not allowing teams to play until they provide insurance and fees.

Membership rules – kids that attend school at a church but are members somewhere else they can play for the church they attend school at.

Discussion about changing the rule combining the league back to what it was a year ago or some variation to separate the ages for T-ball and Coach Pitch.
