Minutes from January meeting were approved.

Treasurers Report—Robert was not able to make the meeting but a brief report on finances was given by Eddie. We have enough funds to operate until next month when we receive player fees.

Don reported we were late on our taxes due to them not being filed and owe the IRS just over \$3700. New treasurer is working with IRS to try and get penalty reduced or waived.

We have received several donations from the Dr. Skokos memorial fund.

Eddie said we should have the concrete pad work beginning within a couple weeks. Bleachers still need to be ordered.

Current rule is:

Change Article 10 section 17:

Any exceptions to these rules must be requested in writing and submitted to the Executive Committee for consideration. If the request for exception is in regards to which church a player is going to play for, the request must be accompanied by a letter of approval from each coach, commissioner, and Pastor of the churches involved. The Executive Committee will make a decision for approval or denial based on the best interests of the CHURCH LEAGUE program and not to be detrimental to any team.

Change Article 10 section A #17 to be:

Any exception to these rules must be requested in writing and submitted to the Executive Committee for consideration. If the request for exception is in regards to which church a player is going to play for, the waiver request must be sent to the league president and must be signed by both churches commissioners. The Executive Committee will make a decision for approval or denial if an agreement between churches cannot be agreed upon.
